

PORTFOLIO

Yara Abdullah

Senior Graphic Designer (UI/UX)

2025 - 2026

✦ Adobe Illustrator ✦ Adobe Photoshop ✦ Figma

Hey there!

I'm Yara, a designer who gives brands their personality. From logos to websites, I bring bold ideas to life (with just the right amount of caffeine ☕).

Vibrant Red (#E9011F)

Symbolizes passion, speed, and energy — qualities that perfectly align with the automotive and detailing industry. It also adds a dynamic accent that makes the brand stand out.

Light Grey (#EBEBEB)

Used as a neutral background tone to balance the strong black and red, giving a modern and professional look.

Pure White (#FBFBFB)

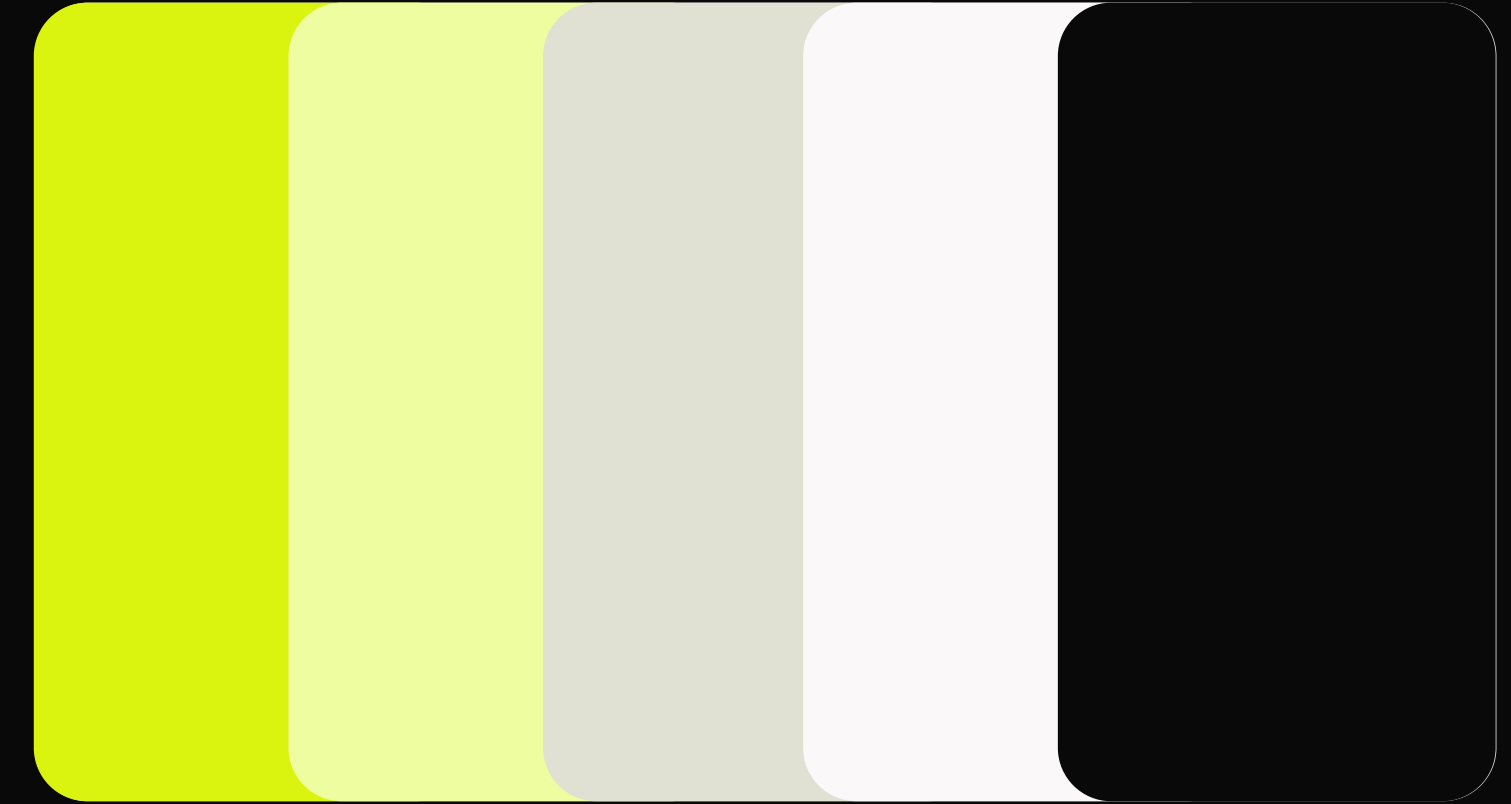

Clean and minimal, it emphasizes clarity and shine, supporting the brand's focus on cleanliness and precision.

Deep Black (#171516)

Represents strength, luxury, and professionalism. It creates a bold foundation for the brand and ensures high contrast.

GPSE

This logo embodies the essence of **Green Pearl Seeds Elite** through a refined and balanced design that reflects growth, purity, and sustainability.

Earthy Brown (#8C6446)
A warm, natural tone that signifies soil, stability, and nourishment—the foundation for strong plant growth.

Soft Green (#A2E8A2)
Represents freshness, agriculture, and sustainability. This shade symbolizes the healthy growth of plants and nature's vitality.

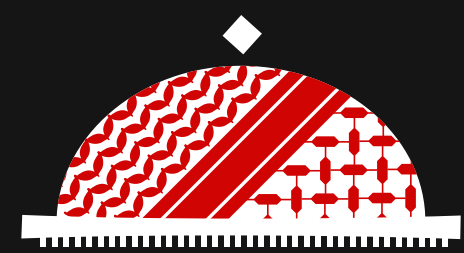

Pearl White (#F9F5ED)
Evokes purity, rarity, and high quality, emphasizing the premium nature of the seeds.

Deep Green (#323E38)
A rich, natural shade that enhances strength, reliability, and professionalism, making typography clear and visually appealing.

GPSeeds Tip

Growing Tomatoes in Canada

- Pick cold-resistant varieties.
- Start indoors/greenhouse.
- Ensure good ventilation.
- Use rich, well-drained soil.

With GPSeeds' tested seeds, you'll get reliable germination & stronger harvests.
